

- **Barry Uphoff, Founding and Managing Partner, Martis Capital**
 - *"Impact Engine plays a unique and important role amongst our LPs," said Barry Uphoff, Founding and Managing Partner, Martis Capital. "Their highly informed perspective has brought our health equity outcomes into sharper focus, helping us distinguish between general healthcare investing and striving for improved outcomes. They are a true strategic partner, and we prioritized getting them onto our Limited Partner Advisory Committee so we could leverage their insights as we partner with our portfolio companies."*
- **Rahul Advani, CEO and Managing Partner, SER Capital Partners**
 - *"Impact Engine was an early supporter of our firm, coming into the first close of our first fund," said Rahul Advani, CEO and Managing Partner, SER Capital Partners. "Their outsized reputation in the marketplace for deep diligence and conviction in the ability to achieve financial and social returns was a huge vote of confidence that helped us drive other major investors investing behind us."*
- **Kelly McCarthy, Head of Impact, The Vistria Group**
 - *"Impact Engine has provided valuable insights and thought partnership throughout Vistria's journey to develop leading-edge impact measurement and management practices," said Kelly McCarthy, Head of Impact, Vistria PRG. "Their approach to GP engagement on impact is differentiated, and a meaningful value add."*
- **Victor Hu, Founder and Managing Partner, Lumos Capital Group**
 - *"Impact Engine has been there since the very beginning of our firm when we decided to commit ourselves fully to impact investing," said Victor Hu, Founder and Managing Partner, Lumos Capital Group. "As our earliest partner, they helped us decide what it looks like to be an authentic impact firm and played a vital role in setting us up for success, including helping to form and Chair our Impact Advisory Council."*
- **Noelle Laing, Chief Investment Officer, Builders Initiative**
 - *"In order for the impact investing market to continue to thrive, we need compelling investment opportunities across every asset class. The private equity sector is full of opportunities to drive both financial performance and impact, which is why we're so excited about PE Fund II," said Noelle Laing, Chief Investment Officer, Builders Initiative. "Impact Engine has been a partner of ours for several years because of their leadership and commitment to this space and their strong alignment to our mission. We're pleased to support this fund as we continue to work together to help move the impact industry forward for the benefit of our communities and our planet."*

- **Humaira Faiz, Mission Investment Manager, W.K. Kellogg Foundation**
 - *“We admire how the Impact Engine team leads with impact and integrity. The way they’re approaching private equity to strengthen the sector is right in line with how we want to invest, which is to be a catalyst for economic opportunity, environmental sustainability and health equity,” said Humaira Faiz, Mission Investment Manager, W.K. Kellogg Foundation.*

- **Alex Chaloff, Chief Investment Officer, Bernstein Private Wealth Management, AllianceBernstein**
 - *“We conducted an extensive search for the right partner to build an impact private markets solution for our clients,” said Alex Chaloff, Chief Investment Officer, Bernstein Private Wealth Management, AllianceBernstein. “Impact Engine has the perfect blend of authenticity of impact and depth of financial rigor for our clients, who care deeply about investing for impact and do not want to sacrifice returns.”*

- **Adam Connaker, Director of Impact Investing, Surdna Foundation**
 - *“Time and again, Impact Engine is an early mover in the impact investing field, this time in private equity. They bring a unique understanding of what it takes to both evaluate and support the growth of emerging managers,” said Adam Connaker, Director of Impact Investing, Surdna Foundation.*
